

Duchy 35

THE DUCHY 35

DUCHY MOTOR LAUNCHES

Duchy 35

Do you own a waterside home and enjoy cruising and relaxing with family and friends? Do you seek the polished styling and outstanding seaworthiness of a custom build without the high-end price tag? Then look no further than the Duchy 35.

Classically designed, handcrafted, semi-production vessels, Duchy Motor Launches are created by skilled craftsmen who combine the traditions of the shipwright with modern luxury, technology and performance.

Built from low-maintenance composites, you customise the interior to create something that is distinctly yours; tailored to meet your precise requirements. From custom-made stainless steel fittings and your choice of upholstery fabric to bespoke interior joinery and electronics, we ensure that your Duchy is exactly what you want it to be – a classic yacht for a modern world that chimes perfectly with your way of life. You also join a discerning group of Duchy owners and become part of the Cockwells family.

TWIN CABIN ARRANGEMENT

SINGLE CABIN ARRANGEMENT

COCKWELLS

DUCHY 35

With interior and exterior cockpits providing spacious accommodation for ten day guests or a weekend berth for two, the Duchy 35 is the perfect cruising yacht. What's more, we can customise it to your exact specifications with a single or twin cabin layout.

Swimming is easier with a gate aligned to a bathing platform and ladder. Enjoy a hot shower afterwards in an enclosed compartment with generous headroom. Recline on the waterproof upholstery in the saloon to dry off in style, absorb the light from the sunroof and take in panoramic sea views from all-round windows. The twin cabin option offers an upstairs galley and double berth below. Add bespoke joinery and leather seating. Sip something chilled from the fridge and listen to your favourite tunes on the Fusion marine stereo. Prepare a gourmet supper using the sink and dual hob, and dine beneath the stars. The possibilities of life aboard a Duchy 35 that is uniquely yours are endless.

Built in low-maintenance composites or teak, the seaworthy Duchy 35 can be moored easily with its higher bulwarks. A side door beside the helm provides easy access to the foredeck and a single touchscreen display controls all on-board electronics.
