

Duchy 27

THE DUCHY 27

DUCHY MOTOR LAUNCHES

Duchy 27

Do you own a waterside home and enjoy relaxing on the water with family and friends? Do you seek the polished styling and relaxed handling of a custom build without the high-end price tag? Then look no further than the Duchy 27.

Classically designed, handcrafted, semi-production vessels, Duchy Motor Launches are created by skilled craftsmen who combine the traditions of the shipwright with modern luxury, technology and performance.

Built from low-maintenance composites, you customise the interior to create something that is distinctly yours; tailored to meet your precise requirements. From custom-made stainless steel fittings, the choice of timber for the interior joinery and upholstery fabric to custom crockery and powering options, we ensure that your Duchy is exactly what you want it to be – a classic yacht for a modern world that chimes perfectly with your way of life. You also join a discerning group of Duchy owners and become part of the Cockwells family.

COCKWELLS

DUCHY 27

A weekender for two or a picnic boat for up to six guests, this classic gentleman's launch combines the luxury of a day boat with the sea-keeping qualities for which our boats are renowned. What's more, we can customise it to your exact specifications and include any number of optional extras.

Rich teak decking, exquisite bespoke joinery, custom-made stainless steel handrails and leather seating add a touch of luxury to the expansive cockpit that provides room to relax and entertain. Swimming is made easier with a walk-through transom that leads to a bathing platform and ladder. Recline on the waterproof upholstery to dry off in style. Take a hot shower. Add the cockpit cover when skies turn grey. Sip something chilled from the fridge whilst you prepare a gourmet supper on the gas hob. The possibilities of life aboard a Duchy 27 that is uniquely yours are endless.

An extremely versatile launch that can comfortably navigate the coasts of England, France and the Channel Islands, even in rough seas, the Duchy 27's potent 200hp diesel engine also offers excellent fuel efficiency.
